**C. Statement of the Applicant**

I know that

- Incorrect data or misuse of the certificate entails withdrawal of the certificate.
- The certificate becomes invalid as soon as professional activities in the field of project management are ceased (interruptions of activities exceeding six months must be notified to IPMC)<sup>1</sup>.
- IPMC will review the performance of project management activities of the certificated person within the period of validity of the certificate<sup>1</sup>, e.g. by personal questionnaires.
- The granted certificate (and the subject of the project report) will be published and held in a list with open access.
- Changes of addresses must be notified to IPMC without delay.
- IPMC will raise a fee for the certification and that this fee will become due also in case of the certification procedure not being successfully passed or being broken off by the applicant before the official end.
- The certificate is property of IPMC and to use the certification logos is only permitted by written affirmation of the certification body.
- Professional engagements shall be in accordance with my convictions, shall uphold professional integrity and code of conduct at all times.
- I agree to abide by the Code of Conduct as given in the document - Cp04 on the website.

I accept the above conditions and assure that all statements made are correct and in accordance with the truth. I state to have taken detailed notice of the content of the relevant documents, especially the Guideline for certificants (Z01) and its further applicable duties and regulations.
