PMA Global Webinar Series 2022

Episode 10: 7th October 2022

(5:00 PM to 6:00 PM)

CREATING LARGE SCALE CHANGE THROUGH DIGITAL PLATFORMS

An Expert Session

by

Timothy Jaques

Description: In this fast, engaging presentation, Tim Jaques will discuss a project practitioners view of the modern digital project: Platforms and business models, digital transformation, and the future state. Come explore this thinking with Tim, and share your experience, as we dive into the modern, large scale digital project. Attendees will leave with a deeper understanding of how platform thinking can transform the project and the entire value chain.

Timothy Jaques is a serial entrepreneur who lives in New York, USA. Tim's latest venture, Teaming Worldwide, is creating innovative new platforms and business models in healthcare and the next generation of hospitals. Tim has co-authored two books including Achieving Project Management Success in the Federal Government, a 2010 PMI Book of the Year nominee.

Tim is a contributor to numerous global standards including the International Project Management Association (IPMA) Individual Competence Baseline, version 4. From 2017 until 2022, Tim co-founded and led the IPMA Special Interest Groups with Dr. Mladen Vukomanovic and Dr. Rebeca Vlahov. Tim continues to explore, write and speak about the challenges of modern, complex projects.
